

**PUBLISHING AGREEMENT**

Article entitled:

Corresponding author:

To be published in **The 5th International Conferences on Computer Graphics, Visualization, Computer Vision, and Game Technology 2018 (VisioGame 2018)**

I hereby assign to **The 5th International Conferences on Computer Graphics, Visualization, Computer Vision, and Game Technology 2018 (VisioGame 2018)** (the "Publication") the copyright in the manuscript identified above and any supplemental tables, illustrations or other information submitted therewith that are intended for publication as part of or as a supplement to the manuscript (the "Article") in all forms and media (whether now known or hereafter developed), throughout the world, in all languages, for the full term of copyright, effective when and if the article is accepted for publication. This transfer includes the right to provide the Article in electronic and online forms and systems. No revisions, additional terms or addenda to this Agreement can be accepted without express written consent. Authors at institutions that place restrictions on copyright assignments, including those that do so due to policies about local institutional repositories, are encouraged to obtain a waiver from those institutions so that the author can accept this publishing agreement.

I confirm that I have read and understand the full list of rights retained by authors and also agree to the other *General Terms of Publication* (see below).

- I am the sole author of the manuscript**
- I am one author signing on behalf of all co-authors of the manuscript**

Please mark of the above boxes (as appropriate) and then sign and date the document

**General Terms of Publication**

**Retained Rights**

I understand that I retain or am hereby granted (without the need to obtain further permission) rights to use certain versions of the Article for certain scholarly purposes, as described and defined below ("Retained Rights"), and that no rights in patents, trademarks or other intellectual property rights are transferred to the Publication.

- the right to make copies (print or electric) of the article for own personal use, including for own classroom teaching use;
- the right to make copies and distribute copies (including via e-mail) of the article to research colleagues, for personal use by such colleagues (but not for Commercial Purposes, as listed below);
- the right to post a pre-print version of the article on Internet web sites including electronic pre-print servers, and to retain indefinitely such version on such servers or sites;
- the right to post the Accepted Author Manuscript (see Definitions) on the author's personal or institutional web site or server, incorporating the complete citation and with a link to the Digital Object Identifier (DOI) of the article;
- the right to present the article at a meeting or conference and to distribute copies of such paper or article to the delegates attending the meeting;
- for the author's employer, if the article is a 'work for hire', made within the scope of the author's employment, the right to use all or part of the information in (any version of) the article for other intra-company use (e.g. training), including by posting the article on secure, internal corporate intranets;
- the right to include the article, in full or in part, in a thesis or dissertation;
- the right to use the article or any part thereof in a printed compilation of works of the author, such as collected writings or lecture notes (subsequent to publication of the article in the Publication); and
- the right to prepare other derivative works, to extend the article into book-length form, or to otherwise re-use portions or excerpts in other works, with full acknowledgement of its original publication in the Publication.

**Author Representations/Ethics and Disclosure**

I affirm the Author Representations noted below, and confirm that I have reviewed and complied with the relevant Instructions to Authors, the Ethics in Publishing policy, and Conflicts of Interest disclosure.

*Author representations*

- The article I have submitted to the Publication for review is original, has been written by the stated authors and has not been published elsewhere.

The 5th International Conferences on Computer Graphics, Visualization, Computer Vision, and Game Technology 2018  
(VisioGame 2018)

- The article is not currently being considered for publication by any other journal and will not be submitted for such review while under review by the Publication.
- The article contains no libellous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in my article.
- If I am using any personal details or images of patients or research subjects, I have obtained written permission or consent from the patient (or, where applicable, the next of kin).
- If the article was prepared jointly with other authors, I have informed the co-author(s) of the terms of this publishing agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

**Funding agency requirements and other policies**

I have also been made aware of the Publication policies with respect to funding agency requirements such as the NIH 'PublicAccess' policy, and the rapid publication 'ArticlesInPress' service.

DEFINITIONS

**Accepted Author Manuscript ("AAM")**

Author's version of the manuscript of a paper that has been accepted for publication and which may include any author-incorporated changes suggested through the peer review process. AAMs should not include however other publisher value added contributions such as formatting and pagination.

**Commercial Purposes**

The use or posting of articles for commercial gain including the posting by companies or their employee-authored works for use by customers of such companies (e.g. pharmaceutical companies and physician-prescribers); commercial exploitation such as directly associating advertising with such postings; the charging of fees for document delivery or access; the systematic distribution to others via e-mail lists or list servers (to parties other than known colleagues), whether for a fee or for free.
